

Connecting to Airplay from an iPhone / iPad

Swipe to open control center

Select the screen mirroring icon

If there are other Apple TV's in the area, you'll see a list. Select the room you're in

If you haven't connected to this Apple TV before, you'll see a 4 digit code on the projection screen

Enter the code on your device.

To disconnect from Airplay, select the screen mirroring icon from the control center and select stop mirroring.
